Established in 1996, and now located in our new state-of-the-art facility in Indianapolis, Extra Innings is recognized as America's premier baseball and softball organization. Located at 5545 South Meridian Street in Indianapolis, our custom-built 24,000 sq. foot building with 42 foot ceiling height serves all of your baseball and softball needs.

PRO SHOP

The Extra Innings Pro Shop is the one-stop shop for all of your team and individual baseball and softball needs. We offer our customers the latest and widest selection of baseball and softball equipment and apparel available today at the lowest advertised price. We have all of the bases covered from bats and gloves to batting gloves, equipment bags and the latest training aides from the world's best manufacturers. Our knowledgeable and experienced staff makes equipment recommendations based on careful consideration of the customer's individual needs. League and team discounts are available, so swing on by and let the experts "gear you up" for the season.

TRAINING CENTER

Extra Innings offers year-round indoor and outdoor professional baseball and softball instruction. Our staff uses a uniform step-by-step teaching system to encourage positive progress in our students. No gimmicks, no celebrities, just serious professional instruction. The staff includes former and current professional players, college all-stars, college and high school coaches.

MULTI-USE TUNNELS

The nine multi-use batting tunnels each have a pitchers mound and an adjustable pitching machine for use. The tunnels are rented out by the half hour and full hour to the public or used weekly by the members of the facility. Reservations are taken and recommended for tunnel use. The tunnels are each 70 ft. long, 15 ft. wide and 26 ft. high which allows for greater mobility and ball travel than the standard batting tunnel. The multi-use tunnels are fully turfed, and are separated by sliding nets that can be pulled back to make an open field area for clinics and fielding instruction.

TOKEN-OPERATED BATTING CAGES

The token-operated batting cages are available any time during hours of operation. The four machines allow you to choose baseball or softball with a variety of different speeds and height adjustments.
